

Questions from the Board on matters not on the agenda

1. What is the Chief Constable's assessment of the additional costs to police forces of the government's fund to increase taser numbers?

(To be asked by David Jamieson)

2. Can the Chief Constable estimate both the additional costs and list the items that the government is funding and the essential items associated with taser deployment that it is not funding as part of the scheme?

(To be asked by David Jamieson)

3. Will the Chief Constable set-out West Midlands Police's approach towards the treatment of people with addictions in custody, in particular the use of methadone by people with opiate addictions?

(To be asked by Sarah Marwick)

4. Will the Chief Constable outline West Midlands Police's approach to investigating rape and sexual offences and detail the number of cases being passed to the CPS in the year 2018/19?

(To be asked by Sarah Marwick)
