

STRATEGIC POLICING AND CRIME BOARD
18th July 2017

<p>Questions from the Board on matters not on the agenda</p>

1. Can the Chief Constable set out the number of violent incidents involving a knife over the last 12 months in the Birmingham areas and can he set out how the Force will be tackling the increased violence on our street over the last few weeks?

(to be asked by Waheed Salem)

2. What measures has the Chief Constable put in place to increase public confidence in regards to dealing with burglaries?

(to be asked by David Jamieson)

3. What assessment has the Chief Constable made of the amount of resources required from Force Response and Force Support for attending NHS hospitals and what steps can be taken to reduce impact on operational resources?

(to be asked by Brendan Connor)

4. How many Search Warrants have been requested in each of the last 3 years? How many were refused by Magistrates in each year? What measure of effectiveness does WMP use in assessing the impact of the use of search warrants in operational policing?

(to be asked by Brendan Connor)
