AGENDA ITEM 4

Strategic Policing and Crime Board

28th June 2022

Questions from the Board on Matters not on the Agenda

1. How is West Midlands Police addressing wildlife crime? What are the levels of demand across the region?

Can you provide examples of investigations and the results?

(To be asked by Cath Hannon)

2. How does West Midlands Police respond to reports of dangerous dogs?
What are the levels of demand?

Can you provide examples of investigations and the results?

(To be asked by Cath Hannon)

3. What does the Chief Constable think the impact will be of government cuts to the National Crime Agency, and its reduced capacity to help West Midlands Police tackle serious organised crime in the West Midlands?

(To be asked by APCC McNeil)

4. According to latest media reports police are taking longer to attend incidents than last year. Can the Chief Constable share any data with the panel in regards to WMP response time to incidents?

(To be asked by Bhupinder Gakhal)
