AGENDA ITEM 3

Strategic Policing and Crime Board

26th March 2024

Questions Received from Members of the Public

1. What are West Midlands Police doing to address the emerging issue of organised shop theft and retail crime, including associated violence and threats?
(To be asked by Lee Dillow)
2. To what extent are frontline officers aware of the emotional harm and fear regularly suffered by shop workers facing retail crime, including threats, intimidation and violence?
(To be asked by Jiten Lad)
3. What progress has West Midlands Police made against local and national retail crime plans, and what stats can you provide to offer assurance?
(To be asked by Nicola Walton)
