

## Consultation Plan

### **Part 1: 4 Lists (task) – PH leading**

Ask the young people to get into small groups, and give each group a piece of plain paper. Draw 4 columns and label them 1 to 4. The young people will need to work together to write as many things as they can in each column, relating to each of these topics: (allow 60 seconds for each)

- 1) Most listened to music artists in your circle (fun one)
- 2) Good things about social media
- 3) Bad things about social media
- 4) Places you can go with your friends - be specific

Discuss each of the lists afterwards to understand their answers.

### **Part 2: Role model Cloud (Task) -PH leading**

What is the definition of role model? *Write answers in word cloud on big paper in one colour.*

What qualities make a good/positive role model? *Fill in gaps on paper in different colour.*

What qualities make a bad/negative role model? *Fill in gaps on paper in different colour.*

Who are role models in the public eye (for young people to look up to)? *Fill in gaps in different colour.*

What are the differences / similarities between the role models in the public eye, to those we see every day (i.e. family members, teachers, people in our community) *Fill in gaps in different colour.*

### **Part 3: current situation (discussion) – PH leading**

*how safe do you currently feel in your local area? And why?*

### **Part 4 : solution/future (discussion) – PH leading**

*what changes would make you feel safer/increase safety in your area? And why?*
